

# Christopher P. Hillman, P.E.

## About

Mr. Hillman is a 1998 graduate of Texas A&M University. He graduated with a B.S. degree in Civil Engineering with structural emphasis. He was licensed in 2004 as a structural engineer in the State of Texas and has since maintained licenses in 10 other states. Prior to opening his own firm in 2012, Mr. Hillman performed structural design for projects across the United States and abroad. Now as owner of his own firm, Mr. Hillman utilizes his years of experience and implements his own style and leadership to do the same and beyond.

Mr. Hillman has served on an advisory committee with Texas Department of Insurance to assist in the development of post-construction certification procedures. He continues to be a progressive presence in the market where hurricane resistant design is needed. To that end, Mr. Hillman established the Building Code Compliance Association to promote code compliance in the current standard of care.

Mr. Hillman moved to Magnolia Texas in 2005 from the Houston area with his lovely wife Cheryl, and 4 beautiful children. Chris and Cheryl have been married for 15 years and their children all attend schools within the Magnolia Independent School District.

## Volunteer And Interests

Mr. Hillman volunteers his time to various community and faith based organizations. Mr. Hillman joined the Magnolia Council of Knights of Columbus in March 2012, and was appointed to the City of Magnolia Planning Commission in September 2012.

Christopher recently finished his training for Texas Task Force 1, which functions as one of the 28 federal teams under the FEMA Urban Search and Rescue System. They function as a rescue team under direction of the Texas Division of Emergency Management.

When he's not busy, he enjoys playing piano, and performing as singer and guitarist with his country western band. Mr. Hillman enjoys spending time with his wife and children.
